IN A GREEN NEIGHBOURHOOD

BUKIT BANYAN

An aerial photograph of a residential development in Bukit Banyan. The scene is dominated by a large, green hillside in the foreground with a prominent white sign that reads "BUKIT BANYAN". To the right, a cluster of modern, two-story houses with dark roofs and light-colored walls is visible. In the center-left, there is a park area with a playground and a swimming pool. The background shows a vast landscape with rolling hills and a clear blue sky.

TIMELESS DESIGN

Designed with a touch of tradition, you will find the Elegant Edition of Sierra 3 Semi-Ds so endearing to come home to. Enjoy reliving the 'rumah dapur' concept where your kitchen is nicely secluded from the other parts of the house. With spaces aplenty, comfort is equally accorded to every member of the family.
