Welcome to Serene Lakeside Living

Sejati Lakeside is envisioned as a 41.4-acre freehold landed residential development by the lake. Lush greeneries will cover 5 acres of the estate with three landscaped parks equipped with 19 multi-various facilities for all ages forming its nucleus, promising a lifestyle that will fulfil the needs and aspirations of its residents for generations.

Enjoy The Good Life

Come home to a gentle cool breeze and the rhythmic sounds of lapping water. Sejati Lakeside offers quality family time, peace of mind, and easy access to every need. Designed with your holistic wellness in mind, expect to have your mind awakened, body invigorated, and bonds rekindled.

19 Facilities for Family Recreation

The Community Park has several unique spaces for family recreation, including the Residential Amphitheatre, Bark Playground, Parcourse, Pet Zone and Badminton Court. The Treehouse Pavilion is where you can spend quality time together under the welcoming shade, surrounded by verdant greenery. Know that your kids have a safe place to play with the neighbours somewhere close to home.

Unique Community Spaces

No man is an island. The ECO Gardens provide a great space to celebrate joyous occasions, with picnic tables nearby. Enjoy freshly picked fruits and vegetables from the Fruit Orchard and Tropical Spice Garden. Let the ambiance set a relaxing mood for mingling and forging close-knit relationships with the community.

Artist's Impression Only

A Home That's Uniquely Yours

Own a freehold home with low monthly maintenance costs. Make use of the large spaces, be it indoors or outdoors. Utilise the spaces based on your imagination, with the flexibility to renovate without restrictions.

Multi-Generational Living

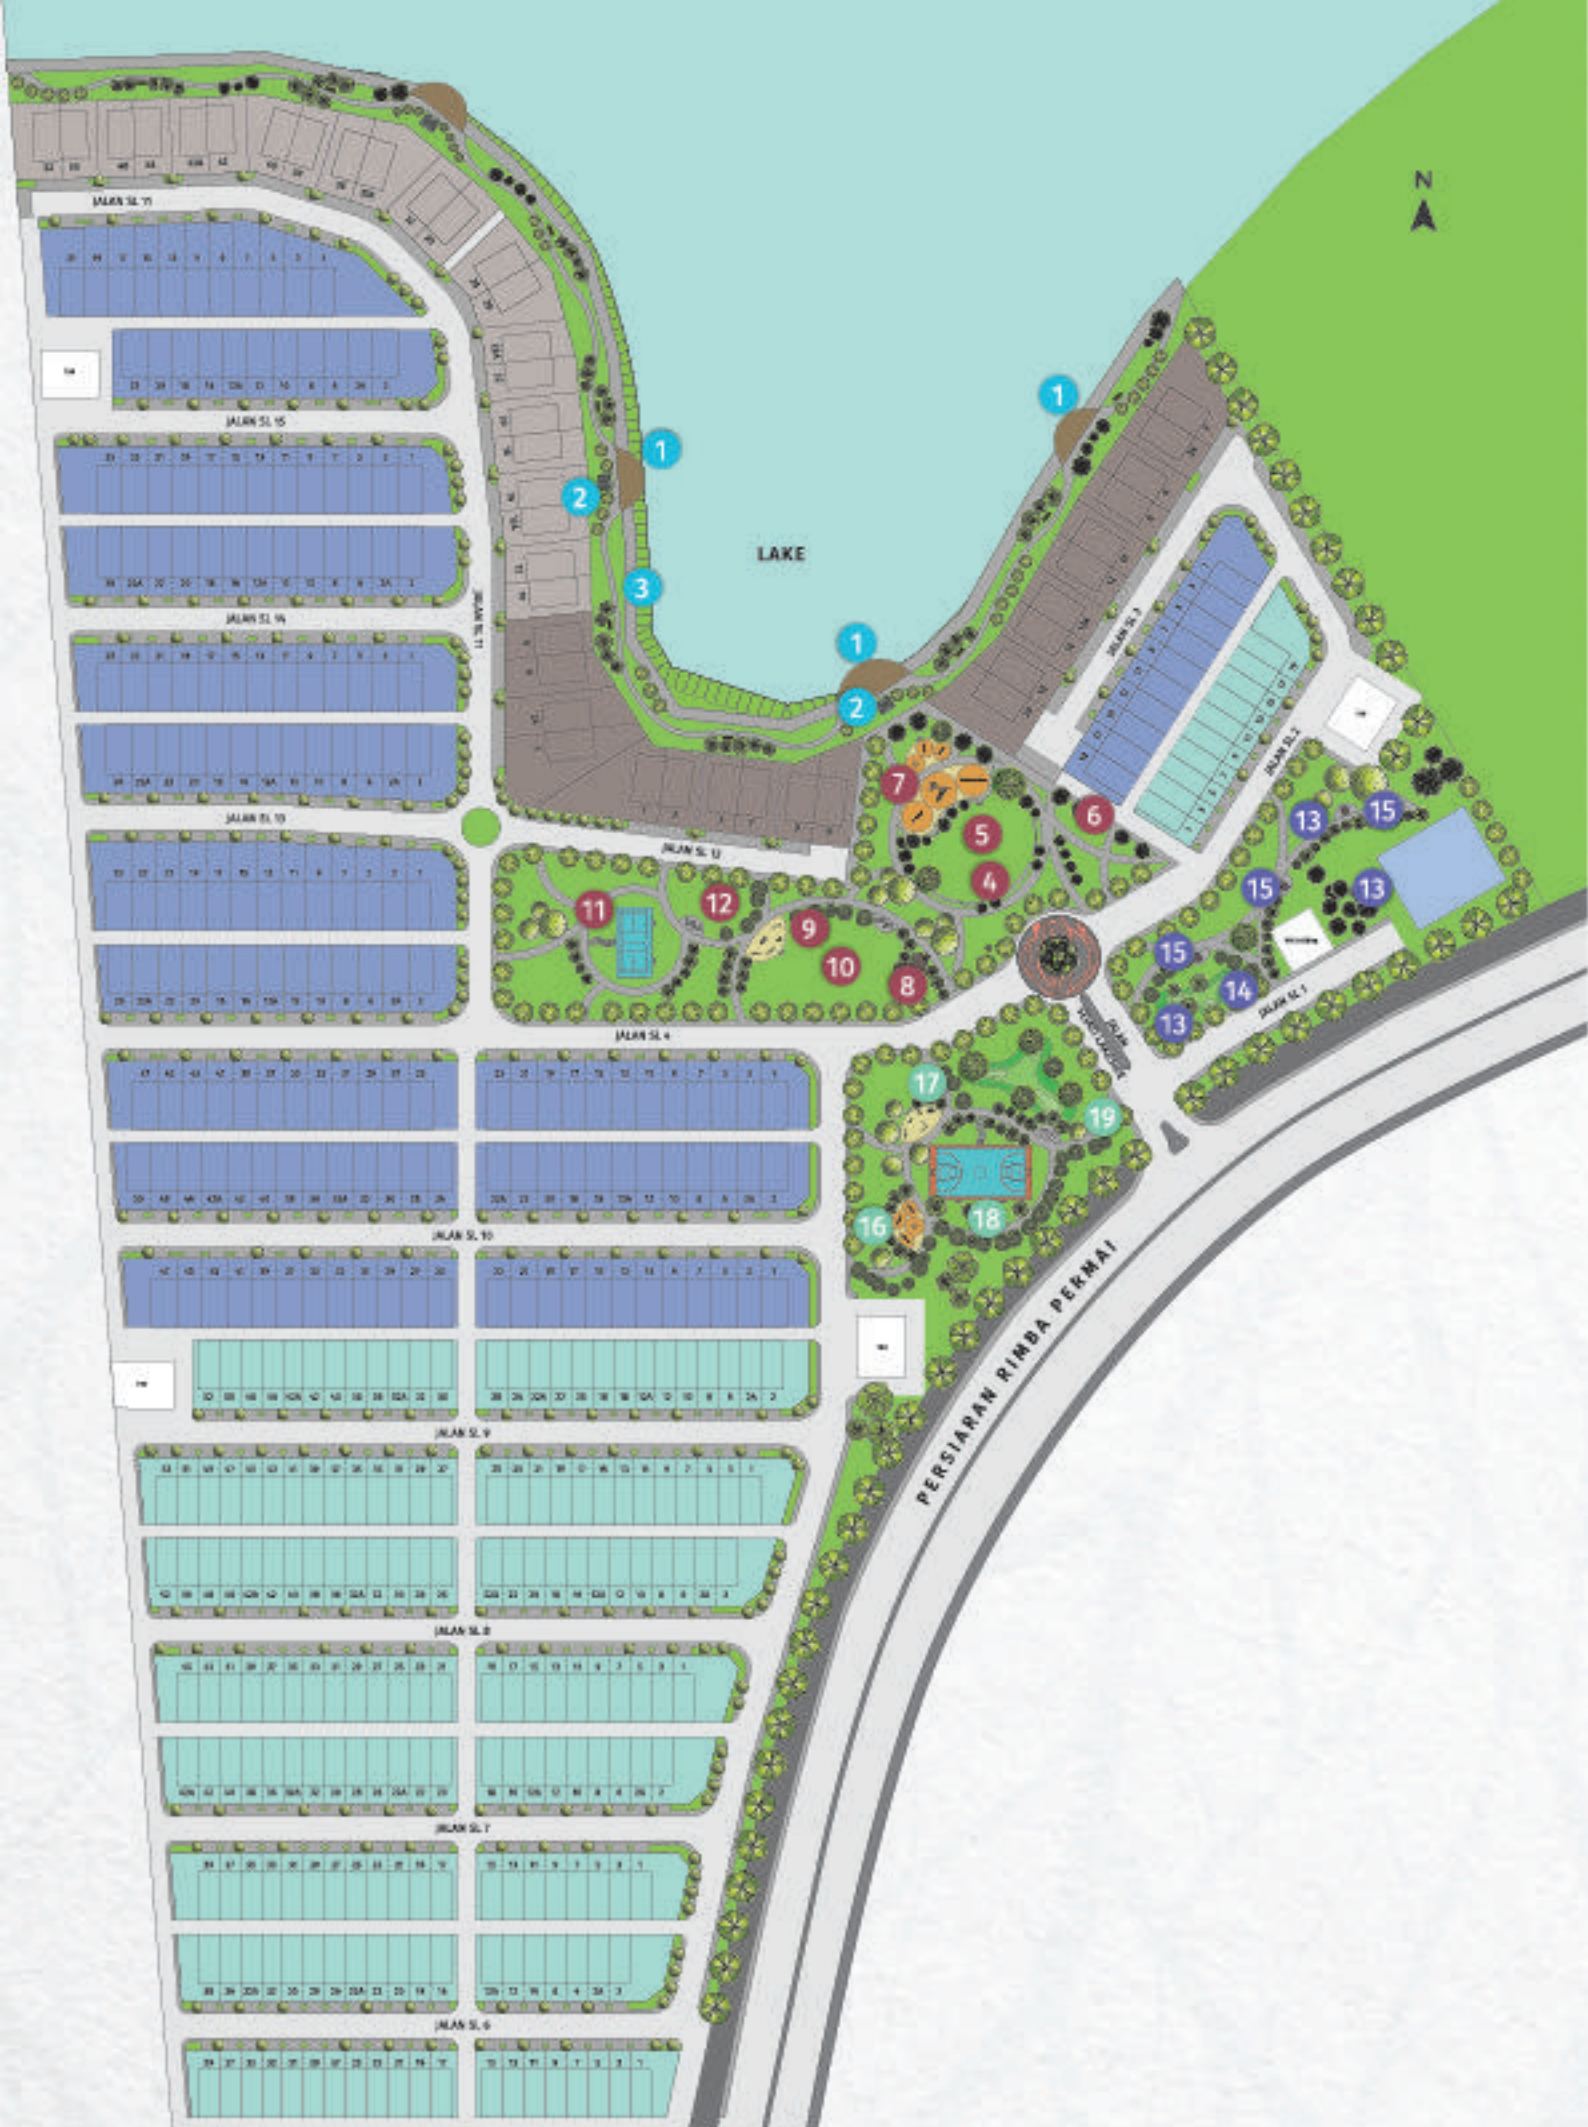

Homes here in Sejati Lakeside are thoughtfully designed to fulfil every aspect of your family's needs. The maximum amount of land space is utilised so that every member of your home have a space to call their own. Our ground floor features a sizeable room for the guests or the elderly with mobility concerns. An ideal place to raise a family and keep everyone together, let Sejati Lakeside homes be your bridge between the generations.

Designed for Safety and Sustainability

Rainwater harvesting in semi-detached homes and other aspects of each home such as natural lighting, cross ventilation, aerated taps, water-saving dual flush systems are designed with sustainability in mind. Homes here are wrapped in not just cooling greenery, but a vibrant ecosystem of flora and fauna which includes a thousand trees made up of more than 20 different species. The north-south orientation of homes also prevents excessive heat and provides a more conducive living environment.

Lead an active lifestyle in your own neighborhood with complete peace of mind. Marked walkways are flanked by low shrubs and are built alongside amply lit streets to offer a clear view.
